

# | MARKET INTELLIGENCE

GWEC Market Intelligence provides a series of insights and data-based analysis on the development of the global wind industry. This includes a market outlook, country profiles, policy updates, deep-dives on global wind supply chain and offshore wind among many other exclusive insights.

GWEC Market Intelligence collaborates with regional and national wind associations as well as its corporate members and subscribers.

In 2025, the Market Intelligence team will be hosting quarterly insight sessions to align with the major report launches and offer deep-dives into specific topics or data.

# 2025 MARKET INTELLIGENCE PRODUCT LAUNCHES

Product	Frequency	Expected Release Date
1. Wind Energy Stats/Market Data		
Wind Stats 2024 (historic annual, accumulative, decommission data)	Annual	April 2025
Global Wind Report 2025	Annual	April 2025
Wind Energy Statistics (wind energy penetration rate, jobs)	Annual	April 2025
2. Country Profiles/Policy Updates		
Country Profiles Onshores/Country Profiles Offshore	Annual	April 2025 (onshore) June 2025 (offshore)
Ad-hoc Policy Updates	Ad-hoc	
3. Market Outlook		
Global Wind Market Outlook 2025-2029 (Q1 and Q3) Database + Report	Semi-Annual	April 2025 (Q1 Outlook) November 2025 (Q3 Outlook)
India Market Outlook Report 2025-2030	Annual	TBC
4. Supply Side Data		
Global Wind Turbine Supply Side Data Report 2023 (by OEM, by technology, by turbine ratings, models and drive train, etc)	Annual	May 2025
5. Auctions/Tenders		
Global Wind Auction Database	Quarterly	Q4 2024 results in Feb Q1 2025 in May Q2 2025 in August
Auction Trends and Learnings	Quarterly	

# 2025 MARKET INTELLIGENCE PRODUCT LAUNCHES

6. Offshore Wind Market		Q3 2025 in Nov
Global Offshore Wind Report 2025	Annual	June 2025
Market Entry Opportunities (database)	Annual/Quarterly	After each OFS Task Force meeting
Global Offshore Project Pipeline (database, in-operatio and under-construction)	Annual/Quarterly	June 2025
Global Offshore Turbine Installation Vessel Database and Report	Annual/Quarterly	October 2025
7. Components Assessment		
Gearbox (Q4 2025), Generator (Q4 2024), Global Wind Supply Chain Deep Dive (Q4 2023), Blades (Q4 2020)	Special Report	December 2025
8. Wind Asset Owners/Operators		
Asset Owners and Operators Database (Onshore & Offshore Ranking)	Annual	July 2025
Asset Owners and Operators Status Report (including strategical trends)	Annual	
9. O&M		
O&M Service Provider Database ( ISP - OEM - Self-perform)	Annual	January 2025
O&M Service Provider Status Report (including regional trends)	Annual	
10.Policy Papers		
Auction design, community engagement and social acceptance for permitting, localisation, trade, supply chain and grid associated policy analysis	Special Report/Position Paper	Throughout the year
