

Field Trip Experience at APAC Wind Energy Summit 2026

Overview

[PetroVietnam Technical Services Corporation \(PTSC\)](#), a member of Vietnam National Industry – Energy Group (Petrovietnam), is pleased to host delegates of the **APAC Wind Energy Summit 2026** for an exclusive field trip to its **Centre of Energy and Technical Solutions** in Rach Dua ward (former Vung Tau), Ho Chi Minh City, Vietnam.

This centre with total area of around 200 hectares has long served as the oil & gas hub for Vietnam and the region, and recently been playing dual roles for both petroleum and renewables in PTSC's journey of green transition. This place is home to several offshore wind foundations and offshore substations, among others, having been made and exported to Asia Pacific and European countries since 2021. Expansion and upgrades are being done by PTSC to make this place as a **regional offshore wind hub** catering all fabrication, marshalling, installation, operation & maintenance activities.

This field trip offers delegates first-hand insights into Vietnam's emerging offshore wind supply chain, including:

- **Fabrication capabilities** for large-scale offshore wind projects (including foundations and OSS).
- **Port infrastructure** specifically optimized for offshore wind logistics, marshalling, installation, operation and maintenance.
- **PTSC's strategic position** as a regional hub, supporting APAC and global offshore wind projects.

Field Trip Details

Date: 12 June 2026

Location: PTSC's Centre of Energy and Technical Solutions in Vung Tau, Add: No. 65A, 30/4 Street, Rach Dua Ward, Ho Chi Minh City, Vietnam.

Time: 10:30 – 18:30

Capacity: 50 delegates

Registration: Complimentary for full Summit delegates.

Registration link: <https://forms.gle/7qeUbn7py9KB3UAj8> . Participants whose registration is successful will receive a confirmation email.

Please note that delegates will arrange their own round-trip airfare to Ho Chi Minh City and accommodation.

Services include:

- Round-trip transportation between PTSC Headquarters (No. 1 Le Duan Street, Sai Gon Ward, Ho Chi Minh City) and PTSC's Centre of Energy and Technical Solutions in Vung Tau.
- Site access & tour guide by PTSC experts.
- Safety induction & PPE (helmet, shoes, etc.).
- On-site electric vehicle (EV) transportation.
- Light refreshments.

Field Trip Program (*)

Time	Item
10:30	Depart from PTSC Headquarters by bus.
10:30 – 12:30	PTSC introduction while on bus by PTSC representatives.
12:30	Arrival.
12:30 – 14:30	Lunch hosted by PTSC.
14:30 – 14:45	Moving to PTSC Port.
14:45 – 15:00	Welcome remarks & field trip briefing.
15:00 – 16:15	Guided yard tour (fabrication, port & logistics).
16:15 – 16:30	Refreshments.
16:30	Depart for PTSC Headquarters by bus.
16:30 – 18:30	Arrival at PTSC Headquarters.

** The program may be subject to change as details are being finalized.*
