

APAC Wind Energy Summit 2026

Sponsorship and Exhibition Brochure

Hanoi, Vietnam,
10 – 11 June 2026

Organised by

About THE SUMMIT

The APAC Wind Energy Summit is a **leading platform dedicated to advancing wind energy across Asia Pacific**. It focuses on offshore, floating, and onshore wind, as well as hybrid generation, green hydrogen, and Power to X, providing a structured space to address policy frameworks, market development, and technology pathways shaping the region's energy transition.

The Summit is organised by the **Global Wind Energy Council**, the international voice of the wind industry, and **RE+ Events**, a leading clean energy events and convening platform, and builds on GWEC's long track record of supporting market development and policy progress across the region. GWEC represents over two hundred and fifty members and has worked with governments and industry since 2005 to accelerate the global energy transition.

RE+ Events brings the modern energy industry together to meet the power demands of the future. It's largest event began as Solar Power International (SPI) and evolved into RE+, uniting an extensive alliance of renewable energy leaders for multiple days of programming and networking opportunities, while showcasing a resilient industry. RE+ Events incorporates business opportunities and education content across energy sectors, including solar, energy storage, hydrogen, microgrids, EV charging and infrastructure, and wind energy.

Launched in 2023, the Summit has quickly become a central meeting point for the region. The programme combines strategic sessions, policy dialogues, exhibitions, launches, and high level networking. The Summit draws over 1,100 attendees from over 27 countries, spanning Asia Pacific, the United States, and Europe.

Attendees include a strong concentration of **Senior Leadership**, with approximately half of participants at **CEO, C suite, or Director Level**, alongside **Government and Political Representatives, Regulators, Investors, and Multilateral Institutions**. The remaining audience reflects the full wind value chain, including developers, manufacturers, utilities, and the wider supply chain. By connecting markets and enabling collaboration, the Summit continues to support GWEC and RE+ Events's mission of scaling wind energy and driving progress across the region.

3XRenewables!

EVENT HIGHLIGHTS

Previous Editions

Over recent editions, the APAC Wind Energy Summit has established itself as a central meeting point for industry leaders across the region, each year welcoming **more than one 1,000 attendees**, representing **government, industry, finance**, and the wider wind ecosystem.

Participation has been consistently global, with delegates joining from over **over 34 countries**, including Singapore, Japan, South Korea, Spain, Denmark, the UK, Vietnam and the Philippines.

This international presence reinforces the Summit's role in connecting markets, showcasing regional opportunities and strengthening partnerships that support the growth of onshore and offshore wind.

Across recent editions, the Summit has welcomed **Senior Government Figures, Energy Ministers, and Public Authorities** alongside **Global Industry Leaders**. Key moments have included **Ministerial Announcements, Interventions from National Assemblies and Energy Ministries**, and **High Profile Participation from Multilateral Institutions, Development Banks, and NGOs**, underscoring the Summit's importance as a trusted forum for advancing wind energy ambitions across the region.

1,100
AVERAGE ATTENDEES

APAC WIND ENERGY SUMMIT 2026

Looking Ahead

The APAC Wind Energy Summit 2026 is expected to welcome over 1,500 attendees

with over 40% of participants at senior decision maker level, including **CEOs, C Suite Executives, Directors, Policymakers, Regulators, Investors, and Representatives from Multilateral Institutions**, alongside developers, manufacturers, utilities, and service providers from across the global wind value chain.

The **2026 Edition** will feature:

- A **Strong Conference Programme** addressing market development, policy frameworks, technology innovation, and investment pathways across onshore, offshore, and floating wind.
- An **Expanded Exhibition Floor** showcasing solutions from across the wind and renewable energy supply chain, creating space for networking, partnership building, and business development.
- A number of **Country Pavilions**, providing national delegations with a platform to highlight market opportunities, policy priorities, and investment pipelines, further strengthening international collaboration and regional market engagement.

WHO WILL PARTICIPATE

The APAC Wind Energy Summit brings together industry leaders and major supply chain operators who embrace the principle that onshore and offshore wind energy has a central role in a market's energy mix. The event provides a platform to drive the discussion around what is needed to accelerate the growth of wind power across the region.

AUDIENCE PROFILE

Developers
Electric, Power and Energy Companies
Engineers
Equipment, Solution and Technology Providers
Government Institutions
Investors, Financiers, Banks
OEM Representatives
Project Owners
Regulatory Agencies

EXHIBITOR PROFILE

Onshore, Offshore, and Floating Wind Technologies
Wind turbine OEMs and Balance of Plant Equipment
Energy Storage, including Batteries and Hydrogen
Battery Technologies and Battery Management Systems
Hydrogen production, Power to X, and Electrolysis
Transmission and Distribution and Grid Connection
Energy Management and Grid Integration
Power Electronics and Electrical Components
EPC, Engineering, and Project Development
Utilities and Power Companies
Testing, Inspection, Certification, and Advisory Services
Financial and Legal Advisory Services

HIGH-LEVEL DELEGATIONS *at the summit*

The **Global Offshore Wind Alliance (GOWA)**, launched at COP27 in Egypt by GWEC, IRENA, and the Government of Denmark as a global coalition uniting governments committed to accelerating offshore wind deployment through clear targets and coordinated action, has become a key platform for international collaboration on policy, market development, and investment in offshore wind.

The **APAC Wind Energy Summit** has played an important role in **GOWA's Regional Engagement**. At the inaugural Summit in Melbourne in 2023, Victoria's State Energy Minister, the Hon Lily d'Ambrosio, announced the State of Victoria's accession to GOWA.

With GOWA at APAC 2026, the Summit offers a unique opportunity for governments and industry to shape the future of offshore wind in the region.

GOWA MEMBERS

Australia	Romania
Belgium	Saint Lucia
Colombia	State of Victoria
Denmark	European Commission
Germany	Brazil
Ireland	Panama
Japan	California
Netherlands	Malta
Norway	Papua New Guinea
Portugal

United Kingdom	
United States of America	

NATIONAL PAVILIONS

Position your organisation as a market leader with a **National Pavilion** that delivers impact at the heart of the APAC Wind Energy Summit.

The Pavilion will provide a platform for your members to amplify brand presence, demonstrate their expertise in the growing wind energy sector and strengthen their market positioning.

Stand out with a pavilion alongside government institutions, regulatory agencies, OEMs, developers, equipment manufacturers and many more.

Invite partners to your space to present their innovative solutions and maximise growth opportunities offered by the APAC region.

NATIONAL PAVILIONS

at APAC Summit 2026

POSITION & REPRESENTATION

A National Pavilion provides a platform to promote your delegation, support participating companies, and facilitate high value meetings with international partners.

By hosting meetings, briefings, and informal networking within the Pavilion, you can maximise visibility and engagement throughout the Summit. Your National Pavilion will serve as a central hub to represent your country, region, or delegation at the APAC Wind Energy Summit 2026, and enable your members to showcase solutions, strengthen market positioning, and build long term relationships across Asia Pacific.

PROMOTE & CONNECT

The Pavilion acts as a meeting point for government representatives, trade bodies, industry leaders, and investors looking to engage with your market and explore collaboration opportunities across the wind energy value chain.

It offers a visible and strategic space to showcase national expertise, market opportunities, and policy priorities to a global audience of senior decision makers.

For National Pavilion enquiries and tailored proposals, please contact:

Thang Vinh Buiv
Vietnam Country Manager
thang.vinhbui@gwec.net

EXHIBITION

The perfect platform to build your network in APAC

The APAC Wind Energy Summit's exhibition is the perfect meeting place for companies to connect with your existing APAC network or build it from the ground up. It provides a platform to showcase latest technologies and solutions, while visitors will also be able to find solutions throughout the entire value chain.

NETWORK
BUILDING

 ***Build your brand and gain exposure to multiple markets in APAC without having to travel extensively!***

- ✔ Extend brand exposure with key audiences
- ✔ Drive engagement
- ✔ Generate engaging content in a key market for social platforms
- ✔ Brand visibility, lead generation, content and social media
- ✔ Brand recognition extends post-summit

EXHIBITING

at APAC Summit 2026

MEET & CONNECT

Your booth will be the focal point for your in-person meeting with your future APAC partners. It will be your meeting spot to connect with prospective customers and establish new long-term partnerships in the region.

DEVELOP & STRENGTHEN YOUR BRAND

Exhibiting at APAC Wind Energy Summit 2026, your presence will be felt and your brand will be recognised as a pioneer with cutting-edge technology in the region.

EXHIBITOR PRICING*	USD
Raw Space Early-Bird <small>OPEN AREA OF PRICE PER 9 SQM</small>	2,950.00

Summit Welcome Partner

USD 35,000

The Summit Welcome Partner leads the first impression of APAC 2026. Your brand will be showcased across the most visible delegate touchpoints at registration, including the co branded tote bag distributed to every participant. Each tote bag will include a GWEC branded stationery kit with your customised sleeve, as well as your brochures, placing your company at the centre of the delegate experience from the moment they arrive.

5 Complimentary Full Conference Tickets, and Discounted Tickets for your Community

9 Sqm Complimentary Raw Space for your Booth

Co branded welcome package with tote bag, printed materials, and custom stationery

Prominent logo visibility at registration and sponsor branded lanyards with co branded badges

Tier 3 Logo Visibility across Event Materials

Social Media Kit for your channels and Banner Placement on your Company's Website

* LIMITED TO ONE SPONSOR

Gala Reception

USD 30,000

The Gala Reception Sponsor gains premium visibility across one of the Summit's most anticipated networking moments. Your brand will feature throughout the reception experience, from visual materials and invitations to social media promotion, ensuring strong exposure to delegates, partners, and key industry leaders.

8 Complimentary Full Conference Tickets, and Discounted Tickets for your Community

9 Sqm Complimentary Raw Space for your Booth

Branding across all Gala Reception Materials and Social Media Communications

Priority access to side events, workshops, and political engagements

Tier 3 Logo Visibility across Event Materials and website

Social Media Kit for your channels and Banner Placement on your Company's Website

* LIMITED TO ONE SPONSOR

Lunch Sponsor

USD 5,000/day

The Lunch Sponsor receives exclusive visibility in the lunch area, engaging delegates during one of the highest footfall moments of the Summit.

3 Complimentary Full Conference Tickets, and Discounted Tickets for your Community

Recognition as the Lunch Sponsor on Programme and Website

On Site Signage Aligned with Summit Branding and Sponsor Video Played on Screens during Lunch

Tier 4 logo visibility across all event materials and website

Social Media Kit for your channels and Banner Placement on your Company's Website

* LIMITED AVAILABILITY

Podcast Sponsor

USD 40,000

The Podcast Sponsor becomes the exclusive partner of the APAC 2026 podcast series. This includes featured participation in up to 3 live episodes recorded onsite at the Summit, as well as presence in the Road to APAC pre-event podcast season. Your organisation gains unparalleled exposure across global audiences, premium visibility on all podcast communications, and a central role in the one of the most widely followed offshore wind podcast in the sector.

- 5 Complimentary Full Conference Tickets, and Discounted Tickets for your Community
- 9 Sqm Complimentary Raw Space for your Booth
- Guest Slot in The Offshore Wind Podcast live from APAC 2026 and in the Road to APAC Season
- Opportunity to Co-Curate Episode Concepts with GWEC
- Top Tier Visibility as the Official Podcast Sponsor in all Podcast Materials
- Visibility across all Podcast Promotions and Special Social Media Videos with Episode Highlights
- Tier 3 Logo Visibility across Event Materials
- Social Media Kit for your channels and Banner Placement on your Company's Website

* LIMITED AVAILABILITY

Knowledge Theatre Sponsor

USD 30,000

The Knowledge Theatre Stage Sponsor receives prominent visibility at the centre of the Summit's content zone. The Knowledge Theatre will host presentations, case studies, and technical insights. Your brand will become a focal point for delegates seeking in depth knowledge and practical expertise.

- 8 Complimentary Full Conference Tickets, and Discounted Tickets for your Community
- 9 Sqm Complimentary Raw Space for your Booth
- 2 Speaking Slots in the Knowledge Theatre
- Visibility in Dedicated Programme Announcements and Communications
- Prominent Branding on the Knowledge Theatre Stage and in all Programme Materials
- Opportunity to Co Organise a Session with GWEC
- Tier 3 Logo Visibility in Event Materials and Website
- Social Media Kit for your channels and Banner Placement on your Company's Website
- Meeting Room Discounts

* LIMITED TO ONE SPONSOR

ABOUT GWEC

The Global Wind Energy Council (GWEC) is the international trade association for the wind power industry. The members of GWEC represent over 1,500 companies, organisations and institutions in more than 80 countries, including manufacturers, developers, component suppliers, research institutes, national wind and renewables associations, electricity providers, and finance and insurance companies.

Our mission is to ensure that wind power establishes itself as the answer to today's energy challenges, providing substantial environmental and economic benefits.

ABOUT RE+ EVENTS

All our events feature industry-leading education vetted through committees comprised of experts across a variety of subjects in the field. RE+ Events dive deep into major sectors within clean energy, incorporating business opportunities and education content across energy sectors, including solar, energy storage, hydrogen, microgrids, EV charging and infrastructure, and wind energy.

OUR REACH

 150,000 Energy Professionals

 **27,000** Total companies

 **150+** Countries

Not a GWEC MEMBER?

Our members represent 85% of global installed wind power capacity and are the leading turbine manufacturers, developers, suppliers and service providers worldwide.

GWEC is the most active lobbying body for the sector, and you can benefit from our high-level relationships with the leading global institutions that influence policy for the wind industry, such as IRENA, IEA, UNFCCC, and World Bank/IFC.

MEMBERSHIP *Benefits*

- Global visibility
- Listing of your organisation on the GWEC website
- Speaking slot at GWEC Events
- Discounts on GWEC event tickets and sponsorship
- Influence and intelligence
- Access to GWEC Task Forces
- Access to GWEC Market Intelligence
- Consultancy on doing business in emerging markets
- Network Building
- B2B Matchmaking in emerging markets
- Invitation to exclusive events and workshops
- Opportunities to be involved at COP
