

About GWEC Market Intelligence

GWEC Market Intelligence provides a series of insights and data-based analysis on the development of the global wind industry. This includes a market outlook, country profiles, policy updates, deep-dives on global wind supply chain and offshore wind among many other exclusive insights.

GWEC Market Intelligence derives its insights from its own comprehensive databases, local knowledge and leading industry experts.

The market intelligence team consists of several strong experts with long-standing industry experience across the world.

GWEC Market Intelligence collaborates with regional and national wind associations as well as its corporate members and MI subscribers.

Who can access GWEC Market Intelligence?

GWEC Market Intelligence Products in 2026

Product	Frequency	Expected Release Date
1. Wind Energy Stats/Market Data		
Wind Stats 2026 (historic annual, accumulative, decommission data)	Annual	April 2026
Global Wind Report 2026	Annual	April 2026
Wind Energy Statistics (wind energy generation data, wind energy penetration rate, jobs)	Annual	April 2026
2. Country Profiles/Policy Updates		
Country Profiles Onshores/Country Profiles Offshore	Annual	April 2026 (onshore)
Ad-hoc Policy Updates	Ad-hoc	June 2026 (offshore)
3. Market Outlook		
Global Wind Market Outlook 2026-2030 (Q1 and Q3) Database + Report	Semi-Annual	April 2026 (Q1 Outlook) November 2026 (Q3 Outlook)
India Market Outlook Report 2026-2030	Annual	TBC
4. Supply Side Data		
Global Wind Turbine Supply Side Data Report 2026 (by OEM, by technology, by turbine ratings, models and drive train, etc)	Annual	May 2026
5. Auctions/Tenders		
Global Wind Auction Database	Quarterly	Q4 2025 results - March 2026
Auction Trends and Learnings	Quarterly	Q1 2026 results - May 2026 Q2 2026 results - August 2026 Q3 2026 results - November 2026
6. Offshore Wind Market		
Global Offshore Wind Report 2026	Annual	June 2026
Global Offshore Project Pipeline (database, in operation and under construction) and summary report	Annual/Quarterly	June 2026
Global Offshore Turbine Installation Vessel Database and Report	Annual/Quarterly	October 2026
7. Components Assessment		
Blades (Q4 2026), Gearbox (Q4 2025), Generator (Q4 2024), Global Wind Supply Chain Deep Dive (Q4 2023), Blades (Q4 2020)	Special Report	December 2026
8. Wind Asset Owners/Operators		
Asset Owners and Operators Database (Onshore & Offshore Ranking)	Annual	September 2026
Asset Owners and Operators Status Report (including strategical trends)	Annual	
9. O&M		
O&M Service Provider Database (ISP - OEM - Self-perform)	Annual	February 2026
O&M Service Provider Status Report 2026 (including regional trends and strategies)	Annual	
10. Wind Policy, Energy Transition and Market Design		
Auction design, community engagement and social acceptance for permitting, localisation, trade, supply chain and grid-associated policy analysis	Special Report/Position Paper	Throughout the year
